

VYRN JOSSEF ROGADOR

GRAPHIC DESIGNER

Caloocan City | vyrnjossefrogador25@gmail.com | 0947 746 3369

Aspiring UI/UX and Graphic Designer driven by a passion for creating meaningful and user-friendly digital experiences. Focused on developing visually compelling and highly functional web and mobile interfaces that improve usability, accessibility, and user engagement. Committed to continuous learning and innovation, with a goal of delivering designs that not only look good but solve real user problems effectively.

SKILLS

- Mobile Design UI/UX: Figma, FlutterFlow
- Graphics Design: Figma, Photoshop
- Logo Design: Adobe AI
- Video Editing: Canva
- Front-end Dev.: HTML, CSS, Tailwind

DESIGN TOOLS

- Figma
- Adobe illustrator
- Photoshop
- Canva

KEY ACHIEVEMENTS

- **HackFest (FlutterFlow) | 2024.** Achieved Top 11 Finalist status for creating a mobile application using FlutterFlow, showcasing exceptional creativity, intuitive UI/UX design, and effective problem-solving.
- **GDSC PLM Innolympics | 2025.** Achieved 1st Runner-Up for creating a mobile application, showcasing strong creativity, intuitive UI/UX design, and effective problem-solving.

PROFESSIONAL EXPERIENCE

Xure App .INC (Graphic Designer)

2025 (Intern 550hrs)

- During my OJT at Xure App as a Graphics Design intern, I created visual content focused on collectibles like rare cards and comics. I contributed to UI mockups for video promoting, social media graphics, and promotional designs, gaining hands-on experience with branding, layout, and user-focused design in a creative, collector-driven environment.

Graphic Designer (Ecommerce graphic designer)

July 2025 - Present

- Created marketing materials for e-commerce platforms such as social media ads, product banners, and promotional content
- Managed multiple design projects while meeting deadlines and maintaining quality standards
- Developed layouts for tarpaulins, flyers, standees, and digital displays
- Created visual materials for mall advertisements, social media promotions, and product campaigns

EDUCATION

Global Reciprocal College

2021 - 2025

Bachelor Degree

- Bachelor of Science in Information Technology (BSIT)

NATIONAL CERTIFICATE HOLDER

NATIONAL CERTIFICATE LEVEL II

2019

VISUAL GRAPHIC DESIGN

- Logo and Print Media – Developing visual identities and layouts for posters, brochures, magazines, and other printed materials.
- Product Packaging – Creating functional and aesthetic designs for product containers and wrappers.
